**Anney School, After School Football Clubs**

This week is the end of this current period of after school football training at the Anney. The Tuesday and Wednesday sessions continue to be popular with mix of girls and boys; a range of age groups and those new to football and others playing the sport for the first time. Over the last 6 weeks the players have all worked so hard; learnt of lots of new skills; and have had fun.

Please can parents make sure that players wear shin pads and appropriate clothing to reflect the weather. Also, please can I ask parents/guardians to inform me -or the school -if their child is being collected by a family member or friend.

If you would like your child to continue to attend the football sessions after the half term, please let me know by **25<sup>th</sup> October** so I can secure the place for them. Likewise, if your child does not wish to continue with the after-school football also let me know by this date please as the place can be offered to a pupil on the waiting list.

For those parents who would like their child to join the club for the first time please ring or email and we can discuss if a place is available.

Thank you
