Dear Parents and Carers

Gardening After School Club

Wednesdays 3:15 to 4:15pm

The garden is thriving and the children have really enjoyed getting involved. We're so fortunate to be able to develop two allotment plots with the space to grow lots of flowers and vegetables.

The Gardening club will run for Key Stage 2 (Year 3-6) children only from Wednesday 13 September for a maximum of 10 pupils. We may be able to offer places to younger pupils if not all Key Stage 2 places are taken up.

If your child is interested in taking part, please complete and return the slip below to the office by 12th September. Places will be allocated on a "first come first served basis" and will run until Christmas. We hope to run the club again in the new year and again places will be allocated as before.

Children will need to be prepared with suitable outdoor clothing and footwear. They will be involved in planting, watering, composting and maintaining the gardening area. The best part of all is that they will be able to bring home what they've grown and share this with their families.

With best wishes

Lauren Johnson **Head of School**
